

Letter 3a: Before 27 January 1517, [Basel], Capito to Johann Eck

This poem appears at the end of Eck's *Disputatio...Viennae Pannoniae habita* (Augsburg: Miller, 1517).

Consilio superum tibi desponsata Minerva est
Quo cum tam dociles parturit ipsa viros
Et quos effoeto dudum connixa marito
Indociles iterum, te generante, parit.
5 Aurea foelices in saecula nascimur: immo
Frustra calviciem me fricuisse piget.
